For a full description of York grading system see the York University Undergraduate Calendar at http://calendars.registrar.yorku.ca/pdfs/ug2004cal/calug04_5_acadinfo.pdf

Please note that it is important to show up for all exams on time. To be fair to other students and to prevent cheating, students who are late will not be allowed to write the exam.

Also to be fair to the other students, there will be no makeup exams except under extraordinary circumstances. Students will only be allowed to write a missed exam if they notify the instructor within 48 hours of the scheduled exam date. Legitimate reasons include death in the family and illness. Missing an exam for vacation or work related reasons are not valid excuses.

Documentation is necessary. Your doctor must fill the form provided on the website below and provide the necessary details and dates surrounding your illness.

If you miss an exam for non-medical reasons, you still must produce supporting documentation (e.g., death certificate, accident report, airline ticket for emergency travel).

Requests for re-evaluation of exams must be received before the last class of the term.

Class Conduct and Academic Integrity and Honesty:
