Missed Tests:

If you are unable to write a test for medical reasons a message must be left with my secretary or teaching assistant no later than 48 hrs after the test (official university policy). Also, you must provide appropriate documentation such as a medical certificate. A medical certificate will be deemed valid only if it explicitly states that you were incapable of writing the test on the scheduled date. You will NOT be allowed to write a make-up test under any other circumstance.

If you **do not** write a make-up arranged by the instructor and/or teaching assistant you must make a **Formal Petition** to the Department of Psychology and write the make-up on the date the department determines.

Please note that students are responsible for all material assigned and this includes material not covered in class. Also, students are advised to keep abreast of any additions and deletions to assigned readings as well as exam format. Announcements regarding the above will be announced in class.
