- Prerequisites:** *Introduction to Psychology* (PSYC 1010 6.00) with a minimum grade of C, *Statistical Methods I & II* (PSYC 2020 6.00), and *Introduction to Research Methods* (PSYC 2030 3.00) or their equivalents.
- Required Text:** APA. (2010). *Publication Manual of the American Psychological Association* (6th ed.). Washington, DC: APA.
- Grading Scheme:** In addition to the course components listed above, making up 95% of your overall grade, 5% of your grade will come from class attendance and participation.
- Late Assignments:** Presentations can neither be rescheduled nor made-up. Late written assignments will be penalized one point per day (including each day of weekends). For example, if you submit your research proposal (worth 15%) 5 days late, you will lose 5 points out of 15; your maximum will therefore be 10.
- Academic Honesty:** You are expected to work on all components of this course independently. Please familiarize yourself with Senate policy on academic honesty, which can be found at: <http://www.yorku.ca/secretariat/policies/document.php?document=69>
