Grading as per Senate Policy

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A + = 9, A = 8, B + - 7, C + = 5, etc.). Assignments and tests* will bear either a letter grade designation or a corresponding number grade (e.g. A + = 90 to 100, A = 80 to 90, B + = 75 to 79, etc.)

(For a full description of York grading system see the York University Undergraduate Calendar - <u>calendars.students.yorku.ca/2016-2017/academic-and-financial-information/academic-services/grades-and-grading-schemes</u>

Late Work/Missed Tests or Exams

Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (Attending Physician Statement which can be found at: http://registrar.yorku.ca/pdf/attending-physicians-statement.pdf) may request accommodation from the Course Instructor. Further extensions or accommodation will require students to submit a formal petition to the Faculty.

Missed Exams: If an exam is to be missed:

- 1) The student must contact me by phone or email or the course secretary by telephone (Zehra Bandhu ext. 66232) within 48 hours of the examination. You must clearly state the following:
- your name (it helps to spell your last name)
- your student number,
- course and section
- phone number at which you can be reached
- best time to call you back
- 2) If you cannot contact me or the secretary during this 48 hour period, subsequent documentation accounting for the delay must be provided.
- 3) Appropriate documentation verifying the circumstances for the missed examination must be provided at the time specified by the instructor. Failure to provide appropriate documentation will result in a grade of F on the missed examination.

What is appropriate documentation?

a) Medical circumstances – tests/exams missed due to medical circumstances must be supported

by an attending physician's statement or a statement by a psychologist or counselor. The physician's statement must include the following: i) full name, mailing address, and telephone number of the physician. ii) state the nature of the illness and its duration (i.e., specific dates covered), and iii) an indication of whether the illness and/or medication prescribed would have SERIOUSLY affected the student's ability to write the exam.

You MUST use the recommended physician's form found at

http://www.registrar.yorku.ca/pdf/attend_physician_statement

NOTE: the physician's office may be contacted to verify that the forms were completed by the physician.

- b) Non-medical circumstances tests/exams missed due to non-medical circumstances must be supported by appropriate documentation, i.e., death certificates, obituary notice, automobile accident reports, airline/bus ticket/receipt for emergency travel (with date of booking on ticket), etc. Airline/train/bus ticket/receipts for emergency travel must indicate destination, departure, and return dates. Having to work at the time of a test is not considered a valid excuse for missing the test.
- 4) The manner in which the missed examination (which has been legitimately documented) is handled will be at the discretion of the course director. E.g., In the case of a make-up exam, you must be prepared to write the test at the make-up date. Although the content to be examined will be the same, the format may or may not follow that of the original test/exam. YOU must check with me for the date and time of the make-up. A conflict in another course during the time of the make-up is not an acceptable reason for missing the make-up (unless there is an examination in the other course at that time). You should be aware that if you miss the exam before the official drop date, you may not have the requisite feedback on your course work to determine if you need to drop the course or not. As a result, it is in your best interest to write the exam at the time it is scheduled. Please list any further policies/procedures for missed tests/late work such as time line for submitting APS (we suggest 48 hours from missed assignment date, policy about make-up tests or exams, etc.
