		<b>Trips are not a valid excuse for missing the exams</b>	

**General Description:**

A survey of psychology introducing basic terms, concepts and methods. Included are topics such as biological bases of behaviour, learning, perception, motivation, cognition, child development, personality, and abnormal and social psychology. Note: This course is required for all students who intend to pursue additional courses in psychology at the 2000, 3000 and 4000 levels. Students must pass the course with a minimum grade of C (4.00) in order to pursue further studies in psychology.

**Learning Objectives:**

Upon completion of this course, students should be able to:

1. Define psychology and explain how it meets the criteria of science.
2. Recognize key concepts, methods, theories and assumptions in psychology.
3. Describe basic characteristics of the scientific method in psychology.
4. Discern differences between personal views and scientific evidence.

**Course Prerequisite(s): Course prerequisites are strictly enforced.**

- AK/PSYC 2410 6.00 (prior to Summer 2002), GL/PSYC 2510 6.00.

**Evaluation:**

As indicated on the schedule, there will be four equally weighted exams counting for 82% (based on the assigned readings, videos and lectures, non-cumulative), assignment 10%, participation 4%, URPP participation 4%. In-class testing and participation (REEF) count as bonus 5%.

**Grading as per Senate Policy:**

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests\* will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 90, B+ = 75 to 79, etc.)

(For a full description of York grading system see the York University Undergraduate Calendar -

<http://calendars.students.yorku.ca/2016-2017/academic-and-financial-information/academic-services/grades-and-grading-schemes>

**Information on Plagiarism Detection**

Turnitin will be used to detect plagiarism.

**Electronic Device Policy**

Unless there are documented needs, there will be no personal electronic device usage during the class time (computers, iPads, etc.). Smart phones will be allowed only during REEF polling sessions.

**Assignment Submission:** Proper academic performance depends on students doing their work not only well, but on time. Accordingly, assignments for this course must be received on the due date specified for the assignment. You will be asked to submit your assignment to your TA by e-mail and to [www.turnitin.com](http://www.turnitin.com) by a specified date.

**Lateness Penalty:** Assignments received later than the due date will be penalized 5% per day. Exceptions to the lateness penalty for valid reasons such as illness, compassionate grounds, etc., may be entertained by the Course Instructor but will require supporting documentation (e.g., an attending physician's statement—see "documentation" below).

**Attendance Policy:** The student is responsible to know the material presented in class.

**REEF:** the system that will allow you to participate in class using your smartphone. More information will be provided during the first class and on Moodle.

**Test Banks:** The use of test banks is not permitted in this course and may be considered a potential breach of academic honesty. This includes but is not limited to; buying or selling test banks.

**POLICY ON MISSED EXAMINATIONS**

1. Within 48 hours of the missed test or examination, students **MUST** contact the instructor either in-person or by e-mail. Be sure to clearly state your name, student number, course and a number/time at which you can be reached. In the case of a missed test the student will be required to write a MAKE-UP TEST. Only **ONE** make-up test is allowed in the course, any other missed tests will stand at the value of zero.
2. Appropriate documentation verifying the circumstances for the missed test or examination must be provided prior to or at the time specified by the instructor. Failure to provide appropriate documentation will result in a grade of 0 on the missed test.
  - A. Tests or examinations missed on the grounds of medical circumstances must be supported by the Attending Physician's Statement, which can be found at <http://registrar.yorku.ca/pdf/attending-physicians-statement.pdf> This is the **ONLY** form of medical documentation acceptable in this course. A "doctor's note" is **NOT** sufficient.
  - B. Tests or examinations missed on grounds of non-medical circumstances must be supported by appropriate documentation, i.e., death certificates, obituary notice, automobile accident reports, airline/train/bus tickets/receipt for emergency travel, etc.

## Add/Drop Deadlines

For a list of all important dates please refer to: [Important Dates](#)

<b>Important dates</b>	<b>Summer (SU)</b>
Last date to add a course <b>without</b> permission of instructor (also see Financial Deadlines)	May 15
Last date to add a course <b>with permission</b> of instructor (also see Financial Deadlines)	May 29
Last date to drop a course without receiving a grade (also see Financial Deadlines)	July 7
Course Withdrawal Period (withdraw from a course and receive a “W” on the transcript)	July 8-31

## Academic Integrity for Students

York university takes academic integrity very seriously, please visit [an overview of Academic Integrity at York University](#) from the Office of the Vice-President Academic.

The following links will assist you in gaining a better understanding of academic integrity and point you to resources at York that can help you improve your writing and research skills:

- [Information about the Senate Policy on Academic Honesty](#)
- [Online Tutorial on Academic Integrity](#)
- [Information for Students on Text-Matching Software: Turnitin.com](#)
- [Beware! Says who? A pamphlet on how to avoid plagiarism](#)
- [Resources for students to help improve their writing and research skill](#)

## Electronic Devices During a Test/Examination:

Electronic mobile devices of any kind are not allowed during a test or examination. Students are required to turn off and secure any electronic mobile device in their bag which is to be placed under the chair while a test/exam is in progress. Any student observed with an electronic device during a test/exam may be reported to the Undergraduate Office for a potential breach of Academic Honesty.

## Academic Accommodation for Students with Disabilities:

While all individuals are expected to satisfy the requirements of their program of study and to aspire to do so at a level of excellence, the university recognizes that persons with disabilities may require reasonable accommodation to enable them to do so. The [York University Accessibility Hub](#) is your online stop for accessibility on campus. It provides tools, assistance and resources.

**Policy Statement:** York University shall make reasonable and appropriate accommodations and adaptations in order to promote the ability of students with disabilities to fulfill the academic requirements of their programs.

The nature and extent of accommodations shall be consistent with and supportive of the integrity of the curriculum and of the academic standards of programs or courses.

Provided that students have given sufficient notice about their accommodation needs, instructors shall take reasonable steps to accommodate these needs in a manner consistent with the guidelines established hereunder. For further information please refer to: [York university academic accommodation for students with disabilities policy](#)
