### Late Work/Missed Tests or Exams

Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (Attending Physician Statement which can be found at: <http://myacademicrecord.students.yorku.ca/pdf/attending-physicians-statement.pdf>) may request accommodation from the Course Instructor. Further extensions or accommodation will require students to submit a formal petition to the Faculty.

### Important New Information Regarding Missed Tests

For any missed tests or late assignments, students MUST complete the following online form which will be received and reviewed in the Psychology undergraduate office.

[HH PSYC: Missed Tests/Exams Form](#). Failure to complete the form within 48 hours of the original deadline will result in a grade of zero for the test/assignment.

### Additional Policy for Missed Tests

1. Students are expected to write each test on the dates specified. There will be three in-class tests in this course. There will be no make-up tests except under extraordinary documented circumstances.
2. The student must show appropriate documentation to the TAs who are in charge of make-up tests. The documentation must verify the circumstances for the missed test. Test missed on the grounds of **medical conditions must be supported by an attending physician's statement Form**. The form could be downloaded <http://myacademicrecord.students.yorku.ca/pdf/attending-physicians-statement.pdf>. ***Failure to provide appropriate documentation will result in a grade of "0%" for the missed test.***

- All make-up tests will be held approximately one week following the original test date. You will be informed of the time and location of the exam by the Teaching Assistants or posting on Moodle. **Unless it is considered by the Course Director as very special circumstances, the student is given one offer of make-up test opportunity per test. Missing a Make-up Test will result in "0%" for that test.**
- Non-medical circumstances must be supported by appropriate documentation (i.e. death certificate to prove the date and your relationship to the deceased).
