Office: 072C BSB
Office Hours: Mondays - 11 am - 12 noon

*****you MUST put the course number in the subject line for all e-mail communications. Please use your York account*****

Course prerequisites: Course prerequisites are strictly enforced
HH/PSYC 1010 6.0 (Introduction to Psychology), with a minimum grade of C.

Course website: Moodle

Lecture outlines will be posted weekly on Moodle. Students are advised to check Moodle frequently for course announcements.

Course description
This course focuses on providing students with knowledge of the theories that apply to how we understand gender, especially for girls and women. Concepts relevant to gender identity and stereotypes, how these develop from infancy onwards and are shaped in adolescence will be discussed. While the focus is on the social context in normative Western cultures, there will be an emphasis on non-normative experiences of girls and women from other backgrounds as well. There will be formal
lectures, videos, and excerpts of books. The required readings are from the textbook as well as the powerpoint presentations.

**Program Learning Outcomes**

Upon completion of this course, students should be able to:

1. Demonstrate in-depth knowledge on psychology of women.
2. Articulate trends in the psychology of women.
3. Express knowledge of the psychology of women in written form.
4. Describe and explain limits to generalizability of research findings on the psychology of women.
5. Demonstrate ability to relate information on the psychology of women to own and others’ life experiences.

**Specific Learning Objectives**

1. To critically evaluate stereotypes and biases about women’s roles in society.
2. Express knowledge of the intersections among gender, ethnicity, social class, sexual orientation, and disability.
3. Describe the impact of discrimination on women’s experiences of the workplace and health care.
4. Describe development of gender identity in women and other genders.
5. Describe potential problems in conducting and interpreting research on women.

**Required Text**

Please note that you are responsible for all the material in the text, lectures, handout(s) and videos for the chapters below for your exams. The exams will include multiple choice and written format questions.

**Grading as per Senate Policy**

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+ = 9, A = 8, B+ = 7, C+ = 5, etc.). Assignments and tests* will bear either a letter grade designation or a corresponding number grade (e.g. A+ = 90 to 100, A = 80 to 90, B+ = 75 to 79, etc.).

(For a full description of York grading system see the York University Undergraduate Calendar - Grading Scheme for 2018-19)

With increasing frequency, students have requested grade adjustments at the end of term, in service of enhancing their GPA standings. As all multiple choice tests are scored by Computing Services, such requests will not be met. Grade adjustments, when warranted, will be applied to ALL students in the class, rather than on an individual basis. This practice is designed to ensure fairness.

**Late Work/Missed Tests or Exams**

Students with a documented reason for missing a course test, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (Attending Physician Statement which can be found at: https://myacademicrecord.students.yorku.ca/pdf/attending-physicians-statement.pdf) may
request accommodation from the Course Instructor. Further extensions or accommodation will require students to submit a formal petition to the Faculty.

Students missing the midterm must notify the TAs within 48 hours.

**Make-up opportunities will be provided ONLY FOR THE FINAL EXAM (not missed midterms) in this course.**

**Missed Tests and Exams:** There will be no make up tests for missed midterms. In the event that a midterm is missed for legitimate reasons (and supporting documentation is provided), the weighting of that midterm will be added to the other midterm test. TAs must be notified of absence within 48 hrs. of the midterm. Students who miss Midterm 1 waive the right to have graded feedback prior to the drop date. Students who miss both midterms for legitimate reasons, will be required to write a cumulative final exam, the nature of which is determined by the course director. A grade of 0 will be assigned to missed midterms in instances where students fail to provide appropriate supporting documentation. Students who miss the Final Exam must notify the TA within 48 hours to present their reasons. **All students must write the final exam.**

**Opportunities to write a Final Exam make up will be provided only to those students with legitimate reasons.** Deferred final exams are held on a single common date. No individualized testing opportunities will be available.

**Important New Information Regarding Missed Tests**

For any missed tests or late assignments, students MUST complete the following online form which will be received and reviewed in the Psychology undergraduate office. [HH PSYC: Missed Tests/Exams Form](#). Failure to complete the form within 48 hours of the original deadline will result in a grade of zero for the test/assignment.

**Evaluation**

Evaluation is based on 2 Midterm tests and a Final Exam. The two midterms will be worth 30% of your overall grade. The final exam will be worth 40% and will be cumulative (all content from the beginning of the course). Please note that it can take up to 2 weeks for your grades to be up on Moodle.

Exams will consist of multiple-choice items and short/long answers based on the text material, lectures, tutorials and films.

Midterm 1 will be worth 30% of your grade with 75 multiple choice questions and one short answer.

Midterm 2 will be worth 30% of your grade with 75 multiple choice questions and one short answer.

The final exam will be worth 40% of your grade with 70 multiple choice questions and one long answer.

**Add/Drop Deadlines**

Last date to drop a course without receiving a grade (also see Financial Deadlines) | Nov. 9 | Feb. 8 | March 8
Course Withdrawal Period (withdraw from a course and receive a “W” on the transcript – see note below) | Nov. 10 - Dec. 4 | Feb. 9 - Apr. 3 | March 9 - Apr. 3

*Note: You may withdraw from a course using the registration and enrolment system after the drop deadline until the last day of class for the term associated with the course. When you withdraw from a course, the course remains on your transcript without a grade and is notated as "W". The withdrawal will not affect your grade point average or count towards the credits required for your degree.

Information on Plagiarism Detection
Turnitin (Not applicable)

Electronic Device Policy
Electronic devices can be used to take notes. Students should put their phones in silent mode during lectures.

Academic Integrity for Students
York University takes academic integrity very seriously; please familiarize yourself with Information about the Senate Policy on Academic Honesty. It is recommended that you review Academic Integrity by completing the Academic Integrity Tutorial and Academic Honesty Quiz.

Test Banks
The offering for sale of, buying of, and attempting to sell or buy test banks (banks of test questions and/or answers), or any course specific test questions/answers is not permitted in the Faculty of Health. Any student found to be doing this may be considered to have breached the Senate Policy on Academic Honesty. In particular, buying and attempting to sell banks of test questions and/or answers may be considered as “Cheating in an attempt to gain an improper advantage in an academic evaluation” (article 2.1.1 from the Senate Policy) and/or “encouraging, enabling or causing others” (article 2.1.10 from the Senate Policy) to cheat.

Electronic Devices During a Test/Examination
Electronic mobile devices of any kind are not allowed during a test or examination. Students are required to turn off and secure any electronic mobile device in their bag which is to be placed under the chair while a test/exam is in progress. Any student observed with an electronic devise during a test/exam may be reported to the Undergraduate Office for a potential breach of Academic Honesty.

Academic Accommodation for Students with Disabilities
While all individuals are expected to satisfy the requirements of their program of study and to aspire to do so at a level of excellence, the university recognizes that persons with disabilities may require reasonable accommodation to enable them to do so. The York University Accessibility Hub is your online stop for accessibility on campus. The Accessibility Hub provides tools, assistance and resources.
Policy Statement.

**Policy**: York University shall make reasonable and appropriate accommodations and adaptations in order to promote the ability of students with disabilities to fulfill the academic requirements of their programs. The nature and extent of accommodations shall be consistent with and supportive of the integrity of the curriculum and of the academic standards of programs or courses. Provided that students have given sufficient notice about their accommodation needs, instructors shall take reasonable steps to accommodate these needs in a manner consistent with the guidelines established hereunder.

For Further Information please refer to: [York university academic accommodation for students with disabilities policy](#).
