## Course Prerequisite(s): Course prerequisites are strictly enforced

• HH/PSYC 1010 6.00 (Introduction to Psychology), with a minimum grade of C.

#### **Course Credit Exclusions**

Please refer to **York Courses Website** for a listing of any course credit exclusions.

**Course website:** Moodle

## **Course Description**

This course provides an introduction to the biological determinants of behavior, drawing upon classic and cutting-edge research in neuroscience. An overview of the central nervous system structure will be provided and how it relates to sensation, perception, movement, emotion, and neurocognitive functions. Clinically relevant research and case examples will be integrated with the material throughout the course to better illustrate brain-behavior relationships in healthy states and in the context of illness and injury.

## **Program Learning Outcomes**

Upon completion of this course, students should be able to:

- 1. Demonstrate broad knowledge of biological determinants of behaviour.
- 2. Describe and evaluate current theory and research in biological psychology.
- 3. Understand and interpret principles of biological psychology in everyday life.
- 4. Define biological causes of human behaviour from different perspectives.

## **Required Text**

• Kolb, Wishaw, & Teskey. (2019). *Introduction to Brain and Behavior* (6<sup>th</sup> edition). The textbook will be supplemented with videos, internet resources, podcasts and/or discussions as deemed relevant by the instructor.

#### Course Structure

All course <u>communication will take place through Moodle</u>, including posting of all course information, and any necessary changes or announcements. Please monitor this regularly. You are encouraged to visit your TAs during office hours for any and all course related questions and this will be your best resource for working through course challenges. You may also contact the instructor by e-mail with questions, but please do not expect a reply sooner than 24 hours (during week days) or a reply over the weekend.

## **Course Requirements and Assessment**

Assessment	Date of Evaluation (if known)	Weighting
Exam 1	Feb 7	35%
Exam 2	Mar 13	35%
Final in-class Exam	Apr 3	30%
Total	-	100%

## **Description of Assignments**

Exams will consist of multiple choice questions only. Multiple choice questions will be derived almost entirely from text book material.

#### **Exam 1** – 35%

Chapters 1-3, & 5 will be covered. The exam will begin at the start of class and will be held in class for 1.5 hours followed by a 1-hour lecture.

#### **Exam 2** – 35%

#### *Final Exam* – 30%

Chapters 14-16 will be covered. The final exam will be in class on April 3<sup>rd</sup>. The exam will be 1.5 hours.

Final course grades may be adjusted to conform to Program or Faculty grades distribution profiles.

## **Grading as per Senate Policy**

The grading scheme for the course conforms to the 9-point grading system used in undergraduate programs at York (e.g., A+=9, A=8, B+=7, C+=5, etc.). Assignments and tests\* will bear either a letter grade designation or a corresponding number grade (e.g. A+=90 to 100, A=80 to 89, B+=75 to 79, etc.)

For a full description of York grading system see the York University Undergraduate Calendar - Grading Scheme for 2019-20

## Missed Tests/Midterm Exams/Late Assignment:

For any missed tests students MUST complete the following online form which will be received and reviewed in the Psychology undergraduate office.

<u>HH PSYC: Missed Tests/Exams Form</u>. Failure to complete the form within 48 hours of the original deadline will result in a grade of zero for the missed tests, midterm exam or late assignments.

In addition, to the online form, students documented reason for a missed tests, midterm exam or late assignments such as illness, compassionate grounds, etc., MUST submit official documentation (e.g. <u>Attending Physician Statement</u>)

Failure to complete BOTH of these tasks within 48 hours will result in a grade of 0 on the exam and students will not be eligible for a make-up exam. Further accommodations will require the student to formally submit a petition to the Faculty.

## **Academic Integrity for Students**

York University takes academic integrity very seriously; please familiarize yourself with <u>Information about the Senate Policy on Academic Honesty</u>.

It is recommended that you review Academic Integrity information <u>SPARK Academic Integrity modules</u>. These modules explain principles of academic honesty.

## **Test Banks**

The offering for sale of, buying of, and attempting to sell or buy test banks (banks of test questions and/or answers), or any course specific test questions/answers is not permitted

in the Faculty of Health. Any student found to be doing this may be considered to have breached the Senate Policy on Academic Honesty. In particular, buying and attempting to sell banks of test questions and/or answers may be considered as "Cheating in an attempt to gain an improper advantage in an academic evaluation" (article 2.1.1 from the Senate Policy) and/or "encouraging, enabling or causing others" (article 2.1.10 from the Senate Policy) to cheat.

## **Electronic Devices During a Test/Examination**

Electronic mobile devices of any kind are not allowed during a test or examination. Students are required to turn off and secure any electronic mobile device in their bag which is to be placed under the chair while a test/exam is in progress. Any student observed with an electronic device during a test/exam may be reported to the Undergraduate Office for a potential breach of Academic Honesty.

#### Academic Accommodation for Students with Disabilities

While all individuals are expected to satisfy the requirements of their program of study and to aspire to do so at a level of excellence, the university recognizes that persons with disabilities may require reasonable accommodation to enable them to do so. The <a href="York University Accessibility Hub">York University Accessibility Hub</a> is your online stop for accessibility on campus. The <a href="Accessibility Hub">Accessibility Hub</a> provides tools, assistance and resources. Policy Statement.

**Policy**: York University shall make reasonable and appropriate accommodations and adaptations in order to promote the ability of students with disabilities to fulfill the academic requirements of their programs.

The nature and extent of accommodations shall be consistent with and supportive of the integrity of the curriculum and of the academic standards of programs or courses. Provided that students have given sufficient notice about their accommodation needs, instructors shall take reasonable steps to accommodate these needs in a manner consistent with the guidelines established hereunder.
